March 24, 2011

Members present – 7

6:00 – 6:30 Networking

6:30 – 7:15 Call to order – Pledge to the Flag and Invocation
Dinner

7:15 – 7:45 Program by Norma Haydu. After working 25 years at Metropolitan Title Company and 30 years in the business, she retired and decided to do something else with her life. She now has a part time position at Hartland School helping out during lunch and in the fieldhouse. She also has been putting together a work at home business for herself. Her focus tonight was on the importance of attitude and the setting of long and short-term goals. She also insisted that most Americans are very impatient and want to reach these goals immediately. Besides giving us these words of wisdom, Norma also displayed her Herbalife products and explained their benefits to our general health. These products are available for purchase from Norma and her online business store and website.

7:45 – 8:30 Old and New Business. Bobbi Lamberson made a motion to accept the Secretary's report, seconded by Diane, motion carried.. A motion was made to approve the treasurer's report Gerry DeMars and seconded by Bobbi Lamberson, motion was carried.

President Haydu gave us an update for Susan Kubek on the Scholarship Fund activity. There is a problem with National because of combining our offices in our last election. We are waiting to hear from the Trustees of the Stephen Bufton Scholarship Fund as to whether or not they will match our contribution. Norma has spoke with Renae Street, the Executive Director of ABWA regarding the issue.

There is no program planned for next month at this time. Bobbie Lamberson has volunteered to do the meal. May's program is on physical fitness. The boss of the year applicants have to be turned in by April 10. Woman of the Year breakfast is scheduled for April 9 and members planning to go need to let Norma know by April 1.

Meeting was adjourned with the Benediction. Members stayed to help with the clean-up.

Respectfully submitted,
Gerry DeMars
